FS Muffins for mums

(invitation only)

### Wednesday 23<sup>rd</sup> May

3.10 – 4 Parent Viewing afternoon

### Friday 25<sup>th</sup> May

Science spectacular day

Grandparents afternoon

LAST DAY OF TERM

Dear Parents and Carers,

Welcome back to Term 5. Term 4 seemed to go in a flash! We hope you have had an enjoyable Easter break. It was lovely to see so many of you attending our church service at St Matthews. We were particularly proud of our Foundation Stage children's performance of 'Spring Chicken'.

We would like to formally introduce you to Miss Eaton who has joined us as a key worker and is currently based in Butterfly class. We are very lucky to have her and she has very quickly become part of the team.

PE kit needs to be in school for our PE session on Thursday mornings. Swimming kits need to be in school on Friday.

Many thanks

The Foundation Team

The theme this term is 'Happily Ever After'. We will be holding a bedtime story day as part of our experienceology. This will be a fun packed day where the children will come into school dressed in their pyjamas, with a bedtime teddy and their favourite story book. We will be looking at all aspects of bedtime from routines through to having a bedtime story.

This term we are looking forward our Science Spectacular day where along with the rest of the school we will be scientists for the day carrying out our own investigations.

As usual we will be focusing on all aspects of reading, writing and maths. We will be helping the children to secure their number knowledge, phonics and letter formation. We will also be working on key skills such as following instructions, physical development and

building on relationships across the Foundation Unit so that children are familiar with children from the three classes in preparation for year 1.

You will have received by now the letter about the new homework grid. We look forward to seeing which activities the children choose to complete. Please continue to read with your child five times a week.
