Monday 16th April 2018

Dear Parents and Carers,

Changes to Homework

Following feedback from parents and children we have decided to change how the homework is set. Parents who have been with us for a while will recognise the format as it is one that we used some time ago.

As you can see the homework set is presented in a grid and includes the usual spelling, reading and in some year groups times tables homework. All the activities have a point value. It is expected for children to complete a **minimum of 30 points** of tasks over the two terms. Spelling, reading and times tables already make up 15 of these points but they can do more if they want to.

Please note that the children have to complete all the compulsory activities every week and on time to achieve the points.

Some activities are similar to the old style homework projects and carry a high point value so this may be the only activity your child completes. Equally your child can choose several activities with a lower point value. Whichever can apply as long as the minimum of 30 is achieved.

The children do not need to complete every task on the grid but are able to if they wish.

The teachers have already talked the children through the new format. The deadline for handing in completed homework tasks is Monday 2nd July.

We hope the children enjoy choosing the activities and that we have found a format that has met the majority of requests and feedback from the school community.

Many thanks,

Mrs S N'jai
Head of School

H/Homework April 2018
