Dear Parents,

We have found that the end of Year expectations for Year 2 and Year 6 are that the children read and experience a wide variety of books. Therefore we have created a list of recommended reads for your child to enjoy.

Alongside this letter you will find this list of books that we recommend your child reads with you. There are 10 books to read in Foundation Stage, 20 books to read whilst your child is in Year 1 and 2, 20 books to read whilst your child is in Year 3 and 4 and 20 books to read whilst your child is in Year 5 and 6.

Sharing a story with your child is such a precious time and an important part of their learning. There is a variety of different books that we hope will appeal to both boys and girls and all abilities too.

You can choose which books you want to read and read them in any order you want! If you are unable to buy these books or borrow them from the library, we will have a copy of all these books available in school for your child to borrow.

Please remember this is just a list of books that we recommend. We hope you are able to have the opportunity to read some of them and enjoy this time sharing a story with your child.

Any questions please speak come and speak to me or the class teacher.

Thank you for all your support.
