Facebook and Twitter

Dear Parents,

We are pleased to tell you that our Facebook page is now live and is called Southcote Primary School. You will hopefully recognise our school logo and photograph when you look for us. Please be aware that there is another page with the same name - all in capital letters, but that one is not controlled by us. We hope that you will give our page a 'Like' and we look forward to seeing our school community grow as we move forward.

Our Twitter page has also gone live. It's called @SouthcoteSchool so if you use Twitter, please follow us.

We very much hope that our Facebook and Twitter pages will go hand in hand with the school website and our letters and texts in keeping you all informed. Both sites will be managed by Mrs Costello so if you have any comments or feedback, please let her know. Comments to the Facebook site will be moderated prior to publication but we hope that regular updates relating to school news and events will be useful to you all.

Please do not raise issues or complaints on either page. If you have any concerns about any aspect of the school, it's staff or it's pupils, please continue to contact the appropriate member of staff in person so that we can help you in the best way possible.

The consent forms that you completed for both individual and group photographs will be used to determine appropriate photo use so please don't worry, however, if you have any concerns please let Mrs Costello know.

Yours sincerely

Mrs Lisa Telling
Headteacher
