

**Anyone fancy**  
**an ice lolly?**

We are hoping to sell ice lollies to raise funds for the school again this year as it was a great success last year.

***Around £100 a week was made for only 30 minutes volunteering!***

These will be sold from a stall on both the KS1 and KS2 playgrounds each Friday at home-time and we would need around 6 people each week starting with Friday 18<sup>th</sup> May.

If you are free for around 30 minutes from 3-3.30pm on one of these dates please copy and paste this link to sign up for the day(s) which suit you:

Any date you could commit to would be greatly appreciated and would make a huge difference to the school

Thanks a lot
