Study for Maths or English from September 2017 from Beginners up to and including GCSE

New Directions (the Adult Learning & Employment Service for Reading Borough Council) delivers part-time adult education courses from September to July. These include accredited Maths and English at levels up to and including GCSE.

Our classes are small and focused at a particular level, so you will not feel out of your depth. Before joining a class we will assess your needs so you can be allocated the most suitable class.

English & Maths qualifications are fully-funded for learners aged 19+ who have not yet achieved their **GCSE at Grade C or above**, regardless of any other qualifications they may have. **This means there are no fees payable.** Please note, this is subject to residency requirements.
