

	Term 5 and 6				
	Year 6 (Homework due Friday 12 <sup>th</sup> July 2019)				
Subject	5 points	10 points	15points	20 points	30 points
Theme	Find 10 hazardous items/objects around your house and list them.  (Record in homework books)	Try a different exercise each day for 10 minutes. Take a photo of 5 different ones that you tried.  (Record in homework books or on paper)	Create your own healthy eating song. Write down the lyrics and perform! (Record in homework books. You can record yourself)	Invent a new pair of fitness trainers. Draw and label the features.  (present this in any way you would like)	Think about your memories of being at Southcote Primary School. Design something to show and represent this memory. You could write a story, do a comic strip, a PowerPoint presentation, make a 3d model with captions or any other creative ideas that you have!
English	Read five times <b>every</b> week and use the CD sheet to record a comment in your reading diary. (Compulsory)  Complete all weekly spellings (Compulsory)	Complete all weekly reading comprehension (Compulsory)	Memorise and perform a poem of your choice. What type of poem is? How do you know? Record any figurative language in your homework books.	Write a formal letter to your new secondary school all about yourself. Include your positive qualities, both inside and outside of school. (Record in homework books or on paper)	Create a fact file all about Thomas Edison. You can present this in any way that you would like. (Record in homework books or on paper)
Maths	TT rockstars or evidence of times tables practice. (Compulsory)  Mymaths and/or Education city	Complete all weekly Maths homework (Compulsory)	Create 2 different types of reasoning problems e.g. true/false, agree/disagree, always/sometimes/never. Make sure you have had a go at the problem yourself! (Record in homework books)	Make a poster for the current Year 5s 'Top Tips for Maths' ready for when they come to Year 6.	Make up your own Sudoku puzzle. (Record in homework books or on paper)
Science	List 10 electrical items found in your house. (Record in homework books)	Make your own diagram of a food pyramid. Make sure you label the food groups. (Record in homework books or on paper)	Draw and design your own torch, label the electrical circuit inside. (Record in homework books or on paper)	Your task this term is to keep an exercise and food diary for at least one week. You decide how to present your information.	Find a nutritious recipe and cook the meal for your family or friends. Photograph the evidence and annotate the different food groups.

It is expected for children to complete reading diary and reading comprehension homework, spellings, times tables tasks and Maths homework weekly for each term.

It is expected for children to complete a minimum of 30 points worth of tasks over the two terms. Children can complete more tasks to gain more points if they want to.
