Dear Parents and Carers,

We've had several enquiries from parents recently asking if there is anything they can do to help our schools – thanks to everyone for thinking of us!

We continue to support more than 40 families across the Federation on a weekly basis with provision of food parcels and essential items and we've been so grateful to everyone that has been able to give donations of either items or money.

Sadly however, due to the volume of items needed, our Hardship Fund is beginning to run low, hence this letter to you. If you are willing and able to make a donation to support this much needed fund and the families that need to use it, we would really appreciate your help. However, please only do so, if you are in a situation where this won't make things difficult for your own family.

Donations for either school can be made via your ParentPay account:

- Katesgrove: Covid19 Fundraising
- Southcote: Covid19 Parent Donation Fund

Yours sincerely
