

**Home School Agreement**

You as parents and carers are your child's first educators. You are the adults who have taught your child how to walk, talk, dress themselves and be part of your family group. At Southcote Primary School we believe that children will learn best if parents know, understand and are in agreement with the aims of our school. This Home-School Agreement is to help the school, parents and carers and your child to work in partnership in order to support your child's learning.
