Dear Parents/Carers,

Microsoft OneDrive – Access to Remote Learning

As a reminder, Remote Learning can be accessed via the school website:

<https://southcoteprimary.co.uk/remote-learning-via-onedrive/>

Direct links to the year group folders are as follows:

EYFS

If you have any technical difficulties accessing the system or the documents within it, please advise us via the class email address. We will do our best to help you as quickly as possible.

If you are not able to access Microsoft Onedrive as you don't have a suitable device or access to the internet, paper copies can be collected from outside the school office. Please let the class teacher know if you need the pack delivered because your family is in isolation.

Children have their username and password for any relevant programs used at school noted in their Reading Record and Homework books. These will enable the children to access work on Education City, MyMaths, TTRockStars and Purple Mash. Again, if you have problems finding the log in information or accessing the programs, please let us know.

Thank you for your continued support and understanding.

Yours sincerely

Executive Headteacher
The Kennet Federation
