

Topic Activities – Year 1 Week 7/8

Science, Geography, History and Art

<p style="text-align: center;">Science</p> <p>Research reptiles. Draw and label some of the ones you find.</p> <p>How do you know they are reptiles?</p> <p>What do they eat?</p> 	<p style="text-align: center;">Science</p> <p>What do you know about birds? What makes them different from other animals?</p> <p>Go outside and do some bird watching. Can you look out for the birds below and make a tally chart to record what you see?</p> <p>Did you see any other birds that were not on the tally chart?</p>	<p style="text-align: center;">Science</p> <p>Pretend you are in a jungle. Write down what you think you could:</p> <p style="padding-left: 40px;">See Touch Smell Hear Taste</p>	<p style="text-align: center;">Science</p> <p>Create your own feel box. Put some items from around the house in your feely box. Put your hand in and feel an item. Describe it to someone in your house without telling them what it is or what it is used for- can they guess what it is?</p>

Bird Watching

<p style="text-align: center;">Geography</p> <p>Go on Google Earth. Can you find:</p> <ul style="list-style-type: none"> -Your home -School -Your families houses -Places you have been on holiday <p>Write a list of other places you found and which continents they are in.</p> <p>https://earth.google.com</p>	<p style="text-align: center;">Geography</p> <p>Draw a compass. Come up with your own saying to help you remember North, South, East and West.</p> <p>For example:</p> <ul style="list-style-type: none"> Never Eat Shredded Wheat 	<p style="text-align: center;">Geography</p> <p>Go on a short walk. When you get home draw a map of the route you took. Don't forget to include key features such as:</p> <ul style="list-style-type: none"> Roads (name them) Parks Shops <p>You could even take pictures to stick on your map!</p>	<p style="text-align: center;">Geography</p> <p>Can you guide a family member around the garden or your house by giving directions ie: jump north 5 times, hop south 3 times and skip south 2 times.</p> <p>Now it's your turn to follow the directions!</p>
--	---	--	---

History

Make a timeline, use the picture below to help! Add some important events on your timeline- when you were born, when you went to school, when your other family members were born. What else can you add? How far in the past can you go?

History

Talk to your parents or grandparents about their childhood. Make a list of things that are similar to your childhood and things that were different. Things to talk about:

School
Items in the home
Area you live/lived in
Technology

History

On Friday 8th May many people in Europe celebrated the 75th anniversary of VE Day.

Can you make a poster about VE Day? Don't forget to include facts!

History

Around the UK nurses are being thanked for their hard work. Can you use the link below to research a very famous nurse- Florence Nightingale. Make a fact file, poster or draw a picture and label it. What are the key facts you now know about Florence?

Art and Craft

Make some characters using a hand print!

Art and Craft

Draw or paint your favourite part of a story or film. You can write a sentence to explain what is happening.

Art and Craft

Make a mask. It can be any kind of mask you choose!

Art and Craft

Using any resources you have, create a picture that you would like to share with your teacher. It can be of anything!
